

Quote of the Week

"That from these honored dead we take increased devotion to that cause for which they gave the last full measure of devotion -- that we here highly resolve that these dead shall not have died in vain -- that this nation, under God, shall have a new birth of freedom -- and that government of the people, by the people, for the people, shall not perish from the earth."

— Abraham Lincoln

Meet a New Member

Rep. Jim Grenier

Jim retired in June of last year after a long career in teaching - 31 years at Sunapee High School and a number of years at Lebanon High School - mostly focused on mathematics.

He felt compelled to run for state office because he had the time and the capacity, and responded to the call to serve from Senator Odell.

Jim has been a Town Auditor in Lempster for years, and he's going into his 6th year on the School Board. In addition to Lempster, he represents Goshen, Washington, Langdon, and Ackworth. He met his wife in 1976 and moved to New Hampshire right after that.

Jim serves on the Education committee. He also presently owns and operates a beef farm. He and his wife enjoy using farming practices that preserve and improve wildlife habitat.

Please stop by and say hello to Jim at seat 235.

Meet a New Member

Rep. Ralph Doolan

Ralph really is a North Country person, being born and raised in Lancaster and having lived in Littleton for 40 years. He's spent his entire life in the business world, and the past 25 years owning a publishing company with a business journal for the North American forestry industry. Its principal magazine is called the Saw Log Bulletin, and is set up like the Wall Street Journal with log prices. He recently retired and his son Michael runs the business.

Ralph wanted to get involved because of his business and economic development background and ideas. He's never done much in politics before becoming a State Representative, but is proud of his leadership at the Littleton Library and helping them achieve a major national award.

Ralph drives down to Concord with his wife Jean and serves on the Commerce committee. He has 5 children and 9 grandchildren. Stop by and introduce yourself to Ralph in seat 293, and ask him about the grandson who attends Keene State College and just got a job at ABC news!

Steve wanted to serve on Executive Departments and Administration because he was very concerned about the rule making authority granted by boards and agencies, and not by statute. Whenever possible, Steve would prefer decisions on regulations and fees to be made by the legislature.

Steve knows first hand the effect of excessive state and federal regulations as a business owner himself. His family has owned a heating oil business for 3 generations and is one of the oldest companies in our state.

In his spare time, Steve helps charity organizations like Jerry's Food Pantry and the Share Fund, which raises money to help people with food, clothing, heat and other necessary assistance.

Steve and his wife Sherry live in Rochester and enjoy boating and motorcycling. Their son is a student at UNH studying genetics and is working toward publishing his first academic research paper this year. Please stop by and say hello to Steve at 338.

Rep. Steve Beaudoin

Rep. Kevin St. James

Kevin is a professional fire fighter and EMTI for the town of Exeter, and has enjoyed this career for 9 years. He lives in Kingston with his wife, 12 year old son and 16 year old daughter, while hosting an international student from China.

Kevin ran for state office because he wanted to get past partisan politics and focus on getting something accomplished, primarily to improve the economy and the prospects for jobs in New Hampshire. Until recently, Kevin and his wife owned a 5,000 sq ft licensed day care business, so he knows first hand how our state regulations and taxes impact employers.

Kevin serves on the House Labor & Industrial Relations Committee, and has enjoyed his experience there. Before this office, Kevin spent 7 years on the Municipal Budget committee in his town and 3 years on the Sanborn Regional High School School Board. In addition, he is a Justice of the Peace and Bail Commissioner.

Please join me in welcoming Kevin and introduce yourself if you haven't already. He sits at seat 129.

Notes From the Republican Leader

I wanted to take a moment to wish everyone a happy and peaceful Memorial Day and remind everyone to take a moment to offer our thanks to all of the members of our nation’s armed forces, especially those who made the ultimate sacrifice.

The freedoms we enjoy today are due to these brave soldiers and their sacrifices.

It is all too easy to overlook the sacrifices of our soldiers as we live in the bubble of safety they provide, but let us never forget to honor and remember those who are willing to stay awake so that we may sleep safely at night.
